**Subject:** Hickman Farms [WARNING: SPF validation failed]

Colleen and Phil,

I was on a monthly update call with EPA Region IX yesterday and the Hickman Farms issue came up. I was asked to coordinate a meeting with MCAQD, EPA, and ADEQ to discuss the problem and potential solutions. I'm going to ask Tawnya to set up the meeting, but please let me or her know, if there others who should attend, including the EPA EPCRA and CERCLA 103 team members. Thank you!

Tim
